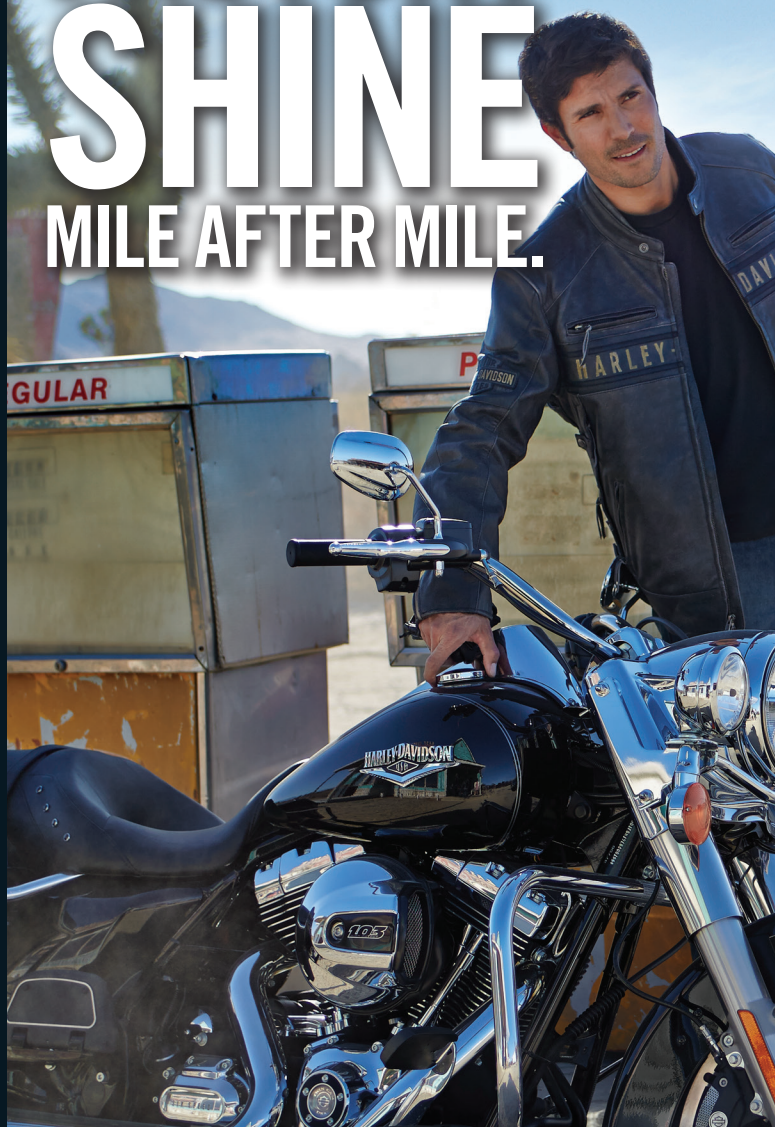
H-D™ APPEARANCE PROTECTION[1]

KEEP THAT FACTORY SHINE MILE AFTER MILE.



KEEP YOUR PAINT, LEATHER AND CHROME LOOKING LIKE NEW.

If you're like many riders, your motorcycle's appearance is as important as its performance. With Harley-Davidson® Appearance Protection[1] you can keep your bike looking as good as the day you rode out of the dealership.

SCOTCHGARD™ PROTECTOR, THE TRUSTED NAME IN APPEARANCE PROTECTION

Scotchgard™ Paint Protector guards against the elements you will encounter on the road, like salt, hard water, tree sap, insects, bird waste, acid rain and more. If covered damage does occur, affected areas will be repaired and resurfaced.[2]

Scotchgard™ Leather and Vinyl Protector repels stains from food, drink, lotions, ink and more. Your leather and vinyl will be protected from rips, tears, cracks or loose stitching, caused by weather or UV weakening. Rips or tears less than 2" or punctures less than ¼" will be repaired and resurfaced.[3]

And to keep that shine, the Scotchgard™ Protector will defend your chrome against the environment. If covered damage does occur, areas will be repaired and resurfaced.[2] Whether you're a road warrior or a casual rider, this protection provides real peace of mind.
