

## Wolverine Harley-Davidson Winter Storage Program

Winter Storage Program includes engine oil & filter change,  
Full safety & maintenance inspection, fuel stabilization, rotations on battery  
tenders, and a motorcycle wash prior to Spring pickup.

Motorcycles are all stored in climate-controlled, secured facilities.

Storage motorcycles are eligible for deferred payment on any maintenance or  
customization work that is performed while motorcycle is in storage. No Payment  
due on deferred work until pickup in the spring.
