## Director's Corner-Tammy Swikert

Hi Everyone

I hope this finds you healthy and Riding 😊 The MDA was a Success! Not all the numbers are in yet but for those of you that participated and or helped we did an awesome job!!!! Some of us went to Green Bay for the Jerry Parin's Cruise for Cancer "The Essential Ride" with over 300 riders. Very humbling. We are actively seeking 2 Officer Positions. Safety Officer and Activities Director. If you would like to know more about these positions, please let us know. Also, Be proud of our Chapter and our Dealership. Stay dry and keep the rubber Down. Tammy aka Mama Bear

## Assistant Director-Pete Faber

What a crazy riding season it has been! Just keep in mind we wait for riding season all winter so don't let the virus take that away from you! I realize we all have different comfort levels, but I hope everyone is getting as much wind therapy as they can handle. Don't worry about over-dosing, just tell yourself you are banking time to look back on during the off season. So just because most of our HOG Rallies have been cancelled doesn't mean we can't create some new destinations on our own-just be responsible with the social distancing thing. Let's try to look at this as just one chapter of our lives; one we will be able to look back and roll your eyes about soon.

Meanwhile, remember to keep up with your RIDE 365 mileage at the dealership, before you know we will have some rallies to plan for.

Keep Riding,  
Pete

It is hard to believe I am writing this for the September newsletter. Our riding season is going way too fast! One thing to look forward to is our colorful fall riding season!

Thanks to Bull Falls Harley-Davidson for a great MDA benefit! Lots of fun riding and was great having an event as most MDA fundraisers were canceled this year. Thanks to all the Chapter members who volunteered to help!

The Milwaukee Rally and Fall Ride have been scaled back but still have music and things to do. The Milwaukee Rally has HOG check in at the Harley-Davidson Museum. Please check Bull Falls Harley-Davidson's website for info on rides and activities.

Ride Safe Ride Often!

Some people may need a little sunshine in their life and that is what I am here for. If you know of anyone involved with our Chapter or their family members that may need some sunshine sent their way, please contact me by phone, Facebook, or email with the name and contact information of the person/people in need and I will send out a card or message on behalf of the Chapter. Some examples are for congratulations for accomplishments, weddings/engagements, graduations or condolences of an ill member or loss of a family member. Our Chapter is a family and we would like to have everyone feel loved and included in both good times and bad.
